

MELDEB CONSTRUCTION LTD

KINGSVALE, HESWALL (JULY 03 – MAY 04)

NEW HALL MANOR

Refurbishment, extension and new build of a 17th century Grade II listed Manor House, the exclusive housing development involved converting existing building into 6 flat/apartment style dwellings, building 8 town houses and a further 3 flat/apartments.

Extensive structural work had to be carried out to stabilize the original building, new foundations, concrete slabs replaced rotten wooden floors throughout and new sewer system including septic system enhancement (Bio-Tank) for the community.

- Electric secure gates.
- 400 meter illuminated drive leading to allocated car parking.
- Ornamental courtyard to high specification.
